PROFESIONAL EXPERIENCE

November 2016 – Currently

Interior design – 3d modelling – budgets – social media

Casas Carpintería y decoración S.L., Spain

At *Casas carpintería y decoración* my tasks are: designs of residential proprieties, especially, all kinds of custom furniture, renderings of complete rooms, terrace enclosures or the furniture projected, budgets and I take care of updating social networks, signage and advertising.

- Meet with clients to establish décor needs and create custom project proposals in alignment with client budget, tastes, and timeframes.
- Display products strategically to help client realize presentation significances in terms of size, color, and placement in relation to existing space and furnishings.
- Attend client appointments to observe installation and project management process.
- Work with diferent guilds and architects.
- Manage social media, posters and advertising.

EDUCATION

September 2013 – June 2017

Interior Design degree

Escuela Superior de Diseño de Aragón, Spain.

June – September 2016

Traineeship

D'arc Studio, Rome.

During my stay in Rome I worked on two projects, housing reform and Pharmacy (Farmacia Miccolis, in La Puglia)

- Planned, designed, and furnished residential property to create unique living spaces.
- Met with clients to establish décor needs and used create custom project proposals in alignment with client budget, tastes, and timeframes.
- Searched local and overseas suppliers to select cost-effective products and fostered relationships with vendors to maintain supply chain and meet purchasing goals.
- Furnished and planned lighting of a Pharmacy. All furniture was customized.
- Worked with the architect in La Plugia and offering various options to the client. Made the 3D model and renderings.
